

# DO NOT PICK UP HITCHHIKERS!

**Zebra Mussels\***

\*Dry the boat in a sunny location for at least five days or wash boat with hot water to prevent the spread of zebra mussel larvae.

**Eurasian Watermilfoil**

**Hydrilla**

**If you see any of these unsavory characters, remove them from your boat or trailer—especially when you go to a new lake. They can choke out fish, outboard motors, and swimmers. **Don't let them take over your lake!****
